To Whom It May Concern,

Thank you for considering a donation to the 10th Annual Puttin' PHore Poots Golf Tournaments and Silent Auction in Edina, Minnesota on Saturday, September 16, 2023. Every year the Warnberg family organize and host this event through the Pulmonary Hypertension Association (PHA) after their daughter, Chelsea, was diagnosed with Idiopathic Pulmonary Arterial Hypertension (IPAH) in 2011.

IPAH causes constriction and high blood pressure in the pulmonary arteries making it harder for the blood to flow through the lungs to become oxygenated which in turn causes the heart to work harder. The disease is progressive, life-threatening and without a cure. There are drug treatments that can improve the quality of life and help to prolong it, but we are hoping through continued funding of research we can find a cure.

PHA offers support to Minnesota residents living with pulmonary hypertension by hosting educational forums such as the On the Road event in St. Paul, MN in June 2017, and local support groups in Minneapolis, Rochester and Bloomington. The Warnbergs started this yearly fundraiser to spread awareness of this invisible and often misdiagnosed disease. Every year we enlist corporations & individuals to become hole sponsors for the golf tournament as well as accept in-kind donations to feature in our silent auction which helps us to raise over \$25,000. We appreciate any donation from your organization.
